	Independent Educational Evaluations (IEEs).....	21
	Determining Eligibility.....	23
3	Making Sense of Your Child’s Test Scores	25
	Understanding Your Child’s Test Scores.....	25
	Standardized Norm-Referenced Tests and Criterion-Referenced Tests.....	26
	The Bell Curve.....	xx
	Test Scores.....	28
	Subtest Scores, Composite Scores, and Index Scores.....	31
	Measuring Educational Progress.....	32
4	Intellectual Evaluations and IQ Testing	35
	Developmental and Intellectual Disabilities.....	35
	Measuring Intelligence.....	36
	Tests of Intelligence.....	37
	Nonverbal Tests of Intelligence.....	41
	Interpreting Intelligence Test Results.....	43
	Intelligence Tests: Special Factors.....	45

5	Academic Achievement Assessments	47
	Assessments of Reading	47
	Assessments of Written Language	47
	Assessments of Mathematics	48
	Formats of Academic Achievement Tests.....	48
6	Reading Assessments	51
	Assessing Reading Difficulties and Disabilities.....	51
	Reading Skills	53
	Tests That Measure Reading	54
	Answers to Questions About Reading Tests.....	58
	Assessing Reading: Special Factors	60
7	Writing and Spelling Assessments	64
	Assessing Written Language Difficulties and Disabilities.....	64
	Written Language Skills	68
	Tests That Measure Written Language	69
	Answers to Questions About Written Language Tests.....	72
8	Mathematics and Math Assessments	77
	Assessing Math Difficulties and Disabilities	78
	Mathematics Skills	80
	Tests of Mathematics	xx
	Answers to Questions about Math Tests	83
	Assessing Math: Special Factors.....	85
9	Speech and Language Assessments	88
	Assessing Speech and Language Problems.....	88
	Speech and Language Skills	xx
	Tests of Receptive and Expressive Language	92
	Vocabulary Tests.....	94
	Speech and Articulation Tests.....	95
	Apraxia Tests.....	96
	Pragmatics and Social Language Evaluations.....	97
	Answers to Questions about Speech and Language Assessments.....	98

10	Evaluations for Learning Disabilities and Attention-Deficit Hyperactivity Disorders (ADHD)	101
	Assessing Specific Learning Disabilities	101
	Assessing Attention-Deficit/Hyperactivity Disorders (ADHD)	104
	Assessing Executive Functioning Skills	106
	Response to Intervention (RTI)	107
11	Assessments of Hearing, Vision, and Motor Skills	110
	Assessing Hearing Impairments	110
	Assessing Vision Impairments	112
	Assessing Motor Skills	114
	Assistive Technology Assessments	117
12	Auditory, Visual, Visual-Motor, and Sensory Processing Assessments	119
	Assessing Auditory Processing Disorders	119
	Assessing Visual Processing Disorders	121
	Assessing Visual-Motor Skills and Dyspraxia	122
	Assessing Sensory Processing Disorders	123
13	Adaptive Behavior and Functional Behavior Assessments	126
	Adaptive Behavior Assessments	126
	Functional Behavior Assessments (FBAs)	128
14	Transition Assessments	132
	Types of Transition Assessments	132
	Planning the Transition Assessment	134
	Tests and Inventories for Transition	134
	Answers to Questions about Transition Assessments	135
15	Assessing English Language Learners (ELLs)	137
	Evaluating Children with Limited English Proficiency	137
	English Proficiency or Learning Disability?	138
	Tests Designed for English Language Learners	140
	Assessing Reading in English Language Learners	142
	Assessing English Language Learners: Special Factors	142
