

## WHAT PEOPLE ARE SAYING ABOUT . . .

# WRIGHTSLAW: NO CHILD LEFT BEHIND

“Easy to read, incredibly informative – a ‘must read’ for all parents in America.” — Dr, Elaine Holden, The Reading Foundation

“Incredible and right on the money! Gives me ammunition to help more parents and kids . . . inspires me and makes me feel like slaying windmills again. Another win for the kids!” — Fran Dobrowolski, advocate

“Makes a complex law easily understandable . . . another outstanding *Wrightslaw* book” — Cynthia Gardner, Esq.

“Does an amazing job of making this law understandable and accessible to lay folk, like me.” — Sandra Rief, master teacher and author of *How to Reach and Teach ADD/ADHD Children*

“This book is great!” — Diane Smith, Esq., National Protection and Advocacy Systems

“Excellent work . . . straightforward and easy-to-read.” — Bill Matthew, Director, Student Support Services

“Folks can make headway for their kids with this book in their amory.” — Robert Crabtree, Esq.

“Fascinating material . . .” — Dr. Janet Lerner, author and editor

“No Child Left Behind will make schools accountable for educating all kids – this is an American law!” — William Byrne, Esq.

“You did a Herculean job of analyzing the No Child Left Behind Act . . . that will pay dividends for parents and advocates.” — Torin Togut, Esq.
