

The Unicorn Children's Foundation

Dedicated to education, awareness & research on behalf of children with learning and communication disorders.

presents

The 2006 Fall IDEA Symposium (Individuals with Disabilities Education Act)

featuring

Wrightslaw

**Special Education Law & Advocacy Boot Camp:
Facilitating a Successful School Year for Children
with Learning & Communication Disorders**

**November 4 - 5, 2006
at Nova Southeastern University**

Parents...

- Gain an understanding of your rights and responsibilities supported by the IDEA
- Learn about how the revisions to the IDEA relate to your child's special education program.
- Learn strategies for effective advocacy and negotiation to become a more empowered participant in your child's IEP meetings and overall education.

Professionals...

- Gain an understanding of the recently revised IDEA federal legislation and regulations and how it relates to children's special education programs.
- Learn how to better use tests and measurements to evaluate educational progress.
- Learn how to write more effective IEPs/IFSPs to ensure that children are receiving the services they require.
- Acquire tactics and strategies that can be used to advocate for children.

Parents: \$60 (\$75 after 10/10)

Professionals: \$120 (\$150 after 10/10)
