

## **“What you’ve been waiting for!”**

This is a two-day conference that **you will not want to miss!.....”**

You’ve heard about Wrightslaw conferences, and the 2-day Bootcamp is the one you don’t want to miss. You will leave this conference with valuable information about special education law and how to advocate for your child so that he or she gets the education that they deserve. You will be motivated and inspired by Pete and Pam Wright, experts in special education law and advocacy.

### **Speakers**

Peter Wright has practiced special education law since the 1970’s. In 1993 he represented Shannon Carter before the U.S. Supreme Court in *Florence County v. Shannon Carter* (510U.S. 7). Pete was drawn to a career in Special Education law because of his own experience in school. He is now one of the leading special education attorneys in the nation.

Pamela Darr Wright is a psychotherapist who has worked with children and families for more than 30 years. Her training and experience in clinical psychology and clinical social work give her a unique perspective on Parent-child-school dynamics, problems and solutions.

Pete and Pam Wright are the authors of:
