From Emotions to Advocacy

Wrightslaw offers a variety of special education law and advocacy programs taught by nationally-recognized experts in the field of special education law and advocacy. From Emotions to Advocacy - this one day/6 hour training program will teach you how to take an active role in managing your child's special education. You'll learn about key sections in the Individuals with Disabilities Education Act of 2004, what our child's test scores mean, and how to develop SMART IEPs. Pete Wright will teach you how to prepare for meetings, the gentle art of disagreeing, and how to maintain healthy working relationships with the school.
