	Independent Educational Evaluations (IEEs).....	21
	Determining Eligibility.....	23
3	Making Sense of Your Child’s Test Scores	25
	Understanding Your Child’s Test Scores.....	26
	Standardized Norm-Referenced Tests and Criterion-Referenced Tests.....	26
	The Bell Curve	27
	Test Scores.....	29
	Subtest Scores, Composite Scores, and Index Scores.....	31
	Measuring Educational Progress	32
4	Intellectual Evaluations and IQ Testing	35
	Developmental and Intellectual Disabilities	36
	Measuring Intelligence.....	36
	Tests of Intelligence	37
	Nonverbal Tests of Intelligence	44
	Interpreting Intelligence Test Results.....	45
	Intelligence Tests: Special Factors.....	47

5	Academic Achievement Assessments 49	49
	Assessments of Reading..... 50	50
	Assessments of Written Language..... 50	50
	Assessments of Mathematics..... 51	51
	Formats of Academic Achievement Tests..... 51	51
6	Reading Assessments 53	53
	Assessing Reading Difficulties and Disabilities 54	54
	Reading Skills 56	56
	Tests That Measure Reading..... 57	57
	Answers to Questions About Reading Tests 59	59
	Assessing Reading: Special Factors 62	62
7	Writing and Spelling Assessments 65	65
	Assessing Written Language Difficulties and Disabilities 66	66
	Written Language Skills 69	69
	Tests That Measure Written Language..... 69	69
	Answers to Questions About Written Language Tests..... 72	72
8	Mathematics and Math Assessments 77	77
	Assessing Math Difficulties and Disabilities 78	78
	Mathematics Skills..... 80	80
	Tests of Mathematics 80	80
	Answers to Questions about Math Tests..... 83	83
	Assessing Math: Special Factors..... 84	84
9	Speech and Language Assessments 87	87
	Assessing Speech and Language Problems..... 88	88
	Speech and Language Skills 89	89
	Tests of Receptive and Expressive Language..... 90	90
	Vocabulary Tests 93	93
	Speech and Articulation Tests..... 94	94
	Apraxia Tests 95	95
	Pragmatics and Social Language Evaluations 96	96
	Answers to Questions about Speech and Language Assessments..... 97	97

10	Evaluations for Learning Disabilities and Attention-Deficit Hyperactivity Disorders (ADHD)	101
	Assessing Specific Learning Disabilities	102
	Assessing Attention-Deficit/Hyperactivity Disorders (ADHD).....	104
	Assessing Executive Functioning Skills	106
	Response to Intervention (RTI)	107
11	Assessments of Hearing, Vision, and Motor Skills	111
	Assessing Hearing Impairments	112
	Assessing Vision Impairments.....	114
	Assessing Motor Skills.....	116
	Assistive Technology Assessments	118
12	Auditory, Visual, Visual-Motor, and Sensory Processing Assessments	121
	Assessing Auditory Processing Disorders	122
	Assessing Visual Processing Disorders	123
	Assessing Visual-Motor Skills and Dyspraxia.....	124
	Assessing Sensory Processing Disorders	125
13	Adaptive Behavior and Functional Behavior Assessments	129
	Adaptive Behavior Assessments.....	130
	Functional Behavior Assessments (FBAs).....	132
14	Transition Assessments	135
	Types of Transition Assessments	136
	Planning the Transition Assessment	137
	Tests and Inventories for Transition.....	138
	Answers to Questions about Transition Assessments.....	138
15	Assessing English Language Learners (ELLs)	141
	Evaluating Children with Limited English Proficiency	142
	Tests Designed for English Language Learners	144
	Assessing Reading in English Language Learners.....	144
	Assessing English Language Learners: Special Factors.....	146
	Internationally Adopted Children	146
	Table of Tests	151
	Glossary of Terms	159
	Index	167
