

# Part B INDIVIDUALIZED EDUCATION PROGRAM

---

The Individualized Education Program (IEP) is a written document that is developed for each eligible child with a disability. The Part B regulations specify, at 34 CFR §§300.320-300.328, the procedures that school districts must follow to develop, review, and revise the IEP for each child. The document below sets out the IEP content that those regulations require.

- How the child's disability affects the child's involvement and progress in the general education curriculum (i.e., the same curriculum as for nondisabled children) **or** for preschool children, as appropriate, how the disability affects the child's participation in appropriate activities. [34 CFR §300.320(a)(1)]

A statement of measurable annual goals, including academic and functional goals designed to:

- To advance appropriately toward attaining the annual goals.  
[34 CFR §300.320(a)(4)(i)]
- To be involved in and make progress in the general education curriculum and to participate in extracurricular and other nonacademic activities.

A statement of any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the child on State and districtwide assessments. [34 CFR §300.320(a)(6)(i)]

If the IEP Team determines that the child must take an alternate assessment instead of a particular regular State or districtwide assessment of student achievement, a statement of why:

- The child cannot participate in the regular assessment. [34 CFR §300.320(a)(6)(ii)(A)]
- The particular alternate assessment selected is appropriate for the child. [34 CFR §300.320(a)(6)(ii)(B)]

The projected date for the beginning of the services and modifications and the anticipated frequency, location, and duration of special education and related services and supplementary aids and services and modifications and supports.
