“Including You” is a collaborative effort to help build inclusive schools and promote inclusive educational practices through high quality, cutting edge workshops presented by knowledgeable, experienced speakers. “Including You” offers innovative instruction, essential resources, and up-to-date information on teaching methodologies, educational strategies, individualized plans, and positive behavior supports within individualized tracks for school administrators, educators and parents. Our goal is to provide the education, motivation and tools to support educators, administrators and parents in building inclusive schools and communities.

“T21” is a cutting edge conference designed specifically for medical professionals, teachers and parents to provide new insights, address current trends, and answer complex questions related to Down syndrome. Our Tri-strand learning model allows professionals and parents to choose specialized topics related to their field of expertise or area of interest. Our goal is to offer innovative instruction, essential resources, and leading informational and motivational speakers that educate and promote awareness and understanding in our community.
